

## Direct Deposit

Direct Deposit of your payroll, Social Security, retirement, government, corporate pay, or disability check means that your funds are deposited automatically on payday, even when you are out of town. COPOCO Community Credit Union receives your paycheck electronically through an automated clearing house (ACH) and your funds are distributed that same day for loan payments, deposits to savings, or deposits to your checking account.

You will need the following information to Direct Deposit funds to your account:

- COPOCO's routing number: 2724-76-925
- Your COPOCO account number followed by a three digit share I.D. such as 000 for savings or 010 for checking.

To sign up for direct deposit, please contact your employer to see if they offer this service.

Direct deposit is received electronically on non-holiday weekdays.
