RATE INFORMATION. The interest rate on your account is 0.750% with an annual percentage yield of 0.75%.

You will be paid this interest rate 5 years from opening.

COMPOUNDING AND CREDITING. Interest will be compounded daily and will be credited quarterly.

The annual percentage yield assumes interest will remain on deposit until maturity. A withdrawal will reduce earnings. If you close your account before interest is credited, you will receive the accrued interest.

MINIMUM BALANCE REQUIREMENTS. No minimum balance requirements apply to this account.

BYLAW REQUIREMENTS. As a condition of membership, and to maintain accounts at our credit union, you must purchase 1 share(s) in the credit union. The par value of a share in this credit union is \$5.00. If at any time your balance falls below the required par value, you will have 10 days to increase the balance or your membership may be terminated.

BALANCE COMPUTATION METHOD. We use the daily balance method to calculate interest on your account. This method applies a daily periodic rate to the principal in the account each day.

ACCRUAL ON NONCASH DEPOSITS. Interest begins to accrue on the business day you deposit noncash items (for example, checks).

TRANSACTION LIMITATIONS. You may not make deposits into or withdrawals from your account until the maturity date. An exception will be made when you request that your Required Minimum Distribution periodic payment be withdrawn from the IRA Certificate Account without imposition of an early withdrawal penalty.

INDIVIDUAL RETIREMENT ACCOUNT. Individual Retirement Accounts (IRAs) are subject to limitations and/or penalties imposed by the Internal Revenue Service. Please see your IRA Agreement or your tax advisor for additional information.

MATURITY DATE. 5 years after opening.

EARLY WITHDRAWAL PROVISIONS. We will impose a penalty if you withdraw any or all of the deposited funds before the maturity date. The fee imposed will equal 3 months of interest. The annual Required Minimum Distribution amount may be withdrawn without imposition of an early withdrawal penalty.

RENEWAL POLICIES. Your account will automatically renew at maturity. You will have a grace period of 10 calendar days after the maturity date to withdraw the funds in the account without being charged an early withdrawal penalty.
