36 MONTH CERTIFICATE ACCOUNT

RATE INFORMATION. The dividend rate on your account is 0.600% with an annual percentage yield of 0.60%.

Your dividend rate and annual percentage yield may change.

Determination of Rate. At our discretion, we may change the dividend rate on your account.

Frequency of Rate Changes. We may change the dividend rate on your account at any time.

Limitations on Rate Changes. There are no maximum or minimum dividend rate limits for this account.

COMPOUNDING AND CREDITING. Dividends will be compounded daily and will be credited to your share account quarterly.

The annual percentage yield assumes dividends will remain on deposit until maturity. A withdrawal will reduce earnings. If dividends are credited to another account or paid to you by check, this may reduce earnings and may negate the effect of dividend compounding.

DIVIDEND PERIOD. The dividend period on this type of account is quarterly, beginning on the date the account is opened, and ending on the stated maturity date, unless renewed.

MINIMUM BALANCE REQUIREMENTS. You must deposit \$1,000.00 to open this account.

BYLAW REQUIREMENTS. As a condition of membership, and to maintain accounts at our credit union, you must purchase 1 share(s) in the credit union. The par value of a share in this credit union is \$5.00. If at any time your balance falls below the required par value, you will have 10 days to increase the balance or your membership may be terminated.

BALANCE COMPUTATION METHOD. We use the daily balance method to calculate dividends on your account. This method applies a daily periodic rate to the principal in the account each day.

ACCRUAL ON NONCASH DEPOSITS. Dividends begin to accrue on the business day you deposit noncash items (for example, checks).

TRANSACTION LIMITATIONS. You may not make deposits into or withdrawals from your account until the maturity date.

MATURITY DATE. 36 months after opening.

EARLY WITHDRAWAL PROVISIONS. We will impose a penalty if you withdraw any or all of the deposited funds before the maturity date. The fee imposed will equal 3 months of dividends.

RENEWAL POLICIES. Your account will automatically renew at maturity. You will have a grace period of 10 calendar days after the maturity date to withdraw the funds in the account without being charged an early withdrawal penalty.
